EP.1 The North

The country of Thailand situated on the Indochinese and Malay Peninsula in South East Asia. This is a small country with population of 60 millions but so robust with history and ancient heritage. Its uniqueness had led us to venture out in search of hidden secrets of the kingdom.

On roof of the country. With complex mountains, this region is renowned for its rich history and long preserved culture. The region still holds on to the traditional way of life, the unique simplicity of the local.

From the height 800 meter. Provides us with breathtaking bird eye view scenery of Wat Phra Bat Poo Pa Dang.

EP.2 The West

The land of geological variety and ancient history. We arrived in Kanjanaburi, a city of such historical significance. Here is the longest wooden bridge of the country, the result of the harmony of the locals known as Mon Bridge.

Passing through urban community to Suphanburi province, we are amazed by enormous Thai-Chino style contemporary art in Mungkorn Sawan Park. Travelling along the coast of the Gulf of Thailand in Samutsongkram. Witness the variety of the biological ecology and skillful shell seekers doing their job at Don Hoi Lord.

Before the last destination, At Baan Laem County of Petchaburi and be impressed by the wonder of colorful terrain of Na Kleau that bring our imagination to an unearthly place.

EP.3 The Northeast

This vast region occupies one third of the land of the country. A melting pot of various traditions and cultures. One of the regions that houses ancient relics founded by our forefathers.

We come to Nakornratchasima Province, the ancient city with marvelous man made stone structure at Pimai Historical Park, one of the biggest and well-preserved castles of the country. We head south bound, along the Thai-Cambodian border to Ubonratchatani to witness the wonder of nature that have created a crack in the earth millions of years ago that has become such an extraordinary valley like Pa Taem.

Travel up to the center of the region. A small city that still preserve the traditional way of life at Roi Et. Fly high to the mountaintop, visiting one of the biggest chedis of the country known as Phra Maha Chedi Chai Mongkol. The ongoing construction budget for the grand chedi has reach over 3 billion baht.

EP.4 The South

the land of the deep blue sea. This region situated on the Malay Peninsula. All the way from the north down to the south of the region is over 750 kilometer stretch surrounded by the Gulf of Thailand and Andaman Sea.

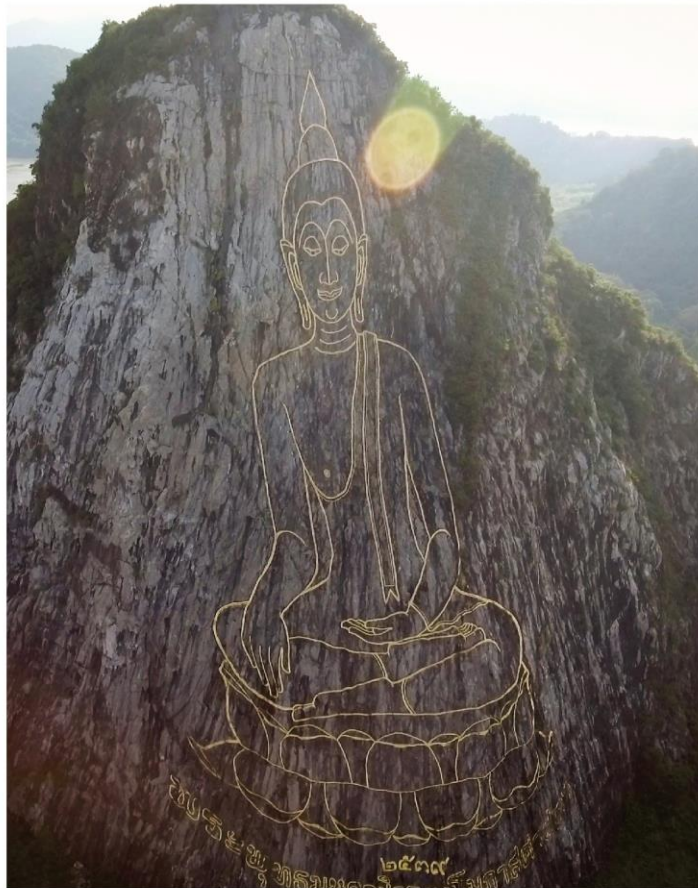

Suratthani Province with the high mountains deep inside the land. Decades after decades, this water reservoir has been the vein of the locals. It is famously known as Kui Lin of Thailand. The south of the region and hover over Nakornsithammarach to the province of Pattalung, a city so rich with art and culture. We admire this incredible long road bridge crossing the Noi Sea known as the King's 80th Birthday Anniversary Road. Moving on to the center of the region at Krabi Province, we conquer the tall standing mountain top of 600 meters. The only way we could reach this temple, Wat Tam Suer, is on foot.

The journey with the most mesmerizing scenery of Laem Phromthep. The cape overlooking the sea is ranked as one of the top ten most amazing site of Thailand because it is the most breath taking spot for admiring the sunset.

EP.5 The Eastern

The eastern region of Thailand. This small region but boasts as economically important. Start our journey from Chachoengsao with one of the world's largest bronze Ganesha statue. Move on to Chantaburi, the province renowned for fruit export and to see Namtok Phlo National Park. Then to an amazing habitat of brackish marine life of mangrove forest at Kung Krabaen Bay Royal Development Study Center.

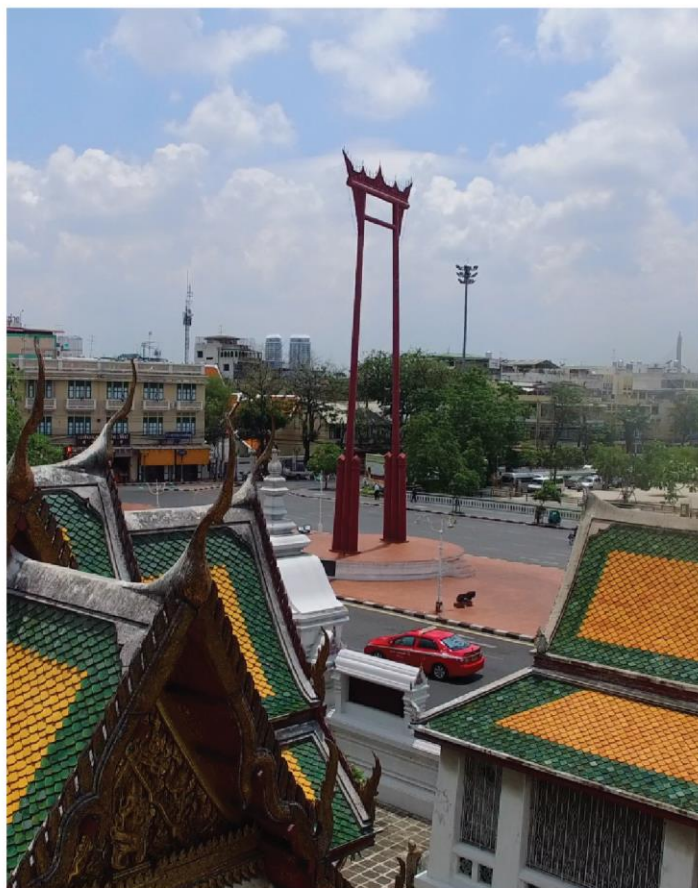

Next to the giant sculptural image of Buddha created on Khao Chi Chan. Then concluding our journey with magnificent and beauty of sea to famous tourism spot at Koh Larn in Chon Buri.

EP.6 The Central

The central region of the country. The central Thailand is the most populated region of the country. With Chao Praya River, the one of the most important rivers in Thai culture, runs across the central region. The historic capital of Thailand is situated on a bank of the river. We start our journey at Nakorn Pathom.

The historic city of Nakorn Pathom is recorded in history along with magnificent stupas of Phra Pathommachedi to the great stupa of Wat Yai Chai Mongkhon in Angthong. And to white reclining Buddha at Wat Khun Inthapramum straight up to Space Singburi to see big Buddha at Wat Pikulthong. Indulge yourself with beautiful scenery at Thailand's largest earth-filled dam, Pa Sak Jolasid Dam in Lopburi.
